

# Global Cooling – Eine Präsentation vom 25.10. 2008 in Köln (BLS)

geschrieben von EIKE | 26. Oktober 2008

---

Despite of hysterical alarmism of heat waves and melting of the arctic ice cover: There is **Global Cooling** since about 7 years.

A presentation held in Cologne 25th October 2008 presents the facts and causes in short.

*Ernst-Georg Beck Dipl. Biol.*

The presentation in English
